A Name You Can Trust

In commercial construction, the finished product represents nothing less than the sum of every person involved, every decision made, every challenge solved, and every detail managed. In essence, everything matters. So you need a contractor you trust. That's us. It's in our name and in our DNA. Reliance Build, Inc. (RBI) has been there, leading the way and managing complex projects of all sizes and fostering relationships with clients of all types to produce the highest quality commercial construction.

1993

Steve and Cynthia Stoaks founded RBI, establishing a dynamic company and building a dynasty of experience.

1 Billion

In 30 years, RBI has completed projects totaling nearly one billion dollars in revenue.

89%

RBI's industry-leading customer service yields an exceptional 89% client retention rate.
